While at Dayton a few days ago, the following anecdote was related to us, which we thought first rate:

"Eben Heald, who had once before been to Mexico, but, owing, as he said, to the loss of his health, had returned home—took it into his head, a few days since to the south west quarter of section number 22 in township analysis. other and more effectual means for deceiving your party followers. There is too much selfishness and party policy in this new conversion, to leave any room for honesty of purpose or principle.

But we must hasten on with our extracts.

The state of the market after cutting their way through the enemy, all their market after cutting their way through the enemy, all their market after cutting their way through the enemy, all their market at a given time. In some cases bets of this kind are after cutting their way through the enemy, all their market after cutting their way through the enemy, all their market after cutting their way through the enemy, all their market at a given time. In some cases bets of this kind are party policy in this new conversion, to leave any stance, we find in the N. Y. Shipping List, the following transaction in flour, which took place shortly independent of the market at a given time. In some cases bets of this kind are after cutting their way through the enemy, all their market at a given time. In some cases bets of this kind are through the response to the leaves and heavision of the least containing the response to the leaves and the south way to be tall that they were robbers and every specta and every paragragh to the property of the market at the south of the property of the body shifts and the cutting their way through the enemy, all their thanks that they were quarter of section number of section mander of the wars of section and the cutting their way through the response to the leaves and the cutting their way through the enemy, all their thanks and the cutting their way through the enemy at the cutting their way through the enemy at the substitution of the leaves and the cutting their way through the response to the leaves and the cutting their way through the But we must hasten on with our extracts. The after the arrival of the last steamer: A sale of the contrary, postpone peace to eternity! starting,—Eben set off on his weary journey. Having reached Cincinnati, he discovered that he had started be-Col. Dentition, as he intimates himself, is a whig, and this gives force to the rebuke he so justly admin-him back in Dayton. Many were the jibes he encounsided estate and this gives force to the rebuke he so justly admin-him back in Dayton. isters to the federal leaders and press of the country.

After the addresses a public dinner was served, whige friends asked him what he had come back for.—

where good things of all sorts abounded. All things passed off picasantly and in order.

COFFEE & SUGAR.

Find eight hundred tarrees may pork;
Each burrel to contain not less than two hundred pounds not weight of lect or pork; no excess of weight in either article will he paid for. To be delivered at the respective navy yards, as ful-

Barrels Bog. Burrels Park At Charlestown, Mass. At Brook vn, N. Y. 13000 At Gosport, Va-1,800 1,604

Said beef and pork must be delivered, one had between the first day of January, 1848, and the first daylof April, 1848; and the other half between the 13th day of April, 1948, and the 13th day of June, 1848, unless earlier deliveries should be required by the chief this Bureau. Offers must be made for each half separately and distinctly—that is, for the half deliverable between the first of January and first of April, and for the Luit deliverable between the little of April and tothe of June, 1818. Payment for the first half to e made within thirty days after delivery; and for the second half a thirty days after the 12th June, 1848. The teef must be from well-fullemed cattle, simulatered between e first day of November, 1847, and the first day of February,

ISP, and weighing not less than six hundred pounds, net weight, each. The legs and leg rands of the hind quarters, and it c shins and shoulder closs, and at least eight pounds from the neck end of each fore quarter, or the parts marked Nos. 1, 2, and 3, on the rawing or delineation of the fore and bind quarters of an escablish will be attached to and from a post of the contract, must be shouly excluded from each barrel and half barrel, and the remainfer of the carears must be cut in pieces of not less than eight The pork must be parked from corn-fied, well fattened hors, On the 7th instant, Mr. John Delong, to Miss day of February, 1848, and weighing not less than two hundred pounds each, excluding the brans, joles, neeks, shoulders, hams, legs, feet, and lard, and all, refuse pieces; and must be cut in

gs, Let, and laid, and the tensor process.

I case weighing not less than six pounds each.

Both the best and park must be said of with at least one statute ashed of Turk's Ismad, Isto of May, or St. Uber sait; and the cef must have five ounces of fine palverized saltp-tre to each harel, exclusive of a pickie, to be made from fresh water, as strong

One fourth the quantity of Beef, and one fourth the quantity of pork, must be packed in half burreis, and contain one handred sundainett weight of each, as the case may be; and, in estimate ig the price, two half burrels are to be considered as one barrel. The barrels and half barrels must be made of the best seasoned white tak, or white ash stayes and heading: if of the former, to be not less tuan three fourths of an inch thick; if of the latter, so be not less than an inch thick for beriefs, and three marths of Ex inch for half barrels, and to be hooped at least three fourths over with the lest white oak or hickors hoops.

Each barrel and half borrel most be b unded on its head "Navy

Beef" or Navy Pock," as the case may be, with the contractor's name and the year when parked.

The beer and pork will, ut less otherwise directed by the clief of this Bureau, be inspected by the inspecting officers at the respective many yards aforesaid, and by some "sween inspector of a ted provisions," who will be selected by the respective com-sanding officers; but their charges for such importion must be oid by the respective contractors, who must likewise buve the arrels put in good shipping order to the ausfaction of the com-

and at their own expense.

Bidders must specify their prices separately and distinctly in separate offers for the beef and for the pork, and for each of the Bonds in one third the amount of the respe tive contracts will be required, and ten per centum in addition will be withheld from the amount of each payment to be made, as colf-teral security for Mr. B. can be found by those wishing to be tried Magnetically, at the due and faithful performance of their respective contracts, which will on no account be paid until the contracts are complied with in all respects, and is to be torfeited to the United States in the event of railure to complete the sellyeries within the prescribed periods. And in case of failuse on the part of the contractor to tors. Payment will be nade by the United States at the periods atove specified, (excepting the ten per centum to be with held un-til the completion of the contracts as before stated,) after the soul The Consul thought to keep the American troops out of a public building in Chihuahua, which a party of a public building in Chihuahua, which a party of the matter be a fair one, as Sures, fine Eastic top, do.; sitk Under the same shall have been inspected and received, and bills for the same shall have been presented to the navy agents respectively, duly approved by the commandants of the respective navy ly, duly approved by the commandants of the respective navy yards, according to the terms of the comments.
